Sustainable Animal Production and Resource Management for Sustainable Agriculture and Food Safety

18 June – 13 July 2018

Closing date for application: 16 March 2018

TICA: Thailand International Cooperation Agency

is a national focal point for Thailand’s international development cooperation. TICA was established in 2004 to realize Thailand’s aspiration to be a contributor of development cooperation. Believing that global challenges are best addressed by international cooperation and global partnership, today we continue to strengthen our contribution to achieve global development agenda through various capacity-building and human resources development programmes. In response to the recent changes in the global landscape of development cooperation, especially through the concept of South-South and Triangular Cooperation, TICA continues to realign our focuses in order to deliver Thailand’s commitment to be a relevant partner in global agendas including the 2030 Agenda for Sustainable Development.

Khon Kaen University

Khon Kaen University (KKU) was established in 1964 and has been the major university in the Northeast of Thailand. The University is also one of the nine national research universities in Thailand and an educational center in the Mekong sub-region. KKU currently has over 40,000 students (including 500 overseas students), studying in 17 faculties, 1 satellite campus, 1 school, and 3 colleges and in 43 International/English programs which cover a wide variety of disciplines. This training course will be conducted by the Faculty of Agriculture. The Faculty is fully equipped with advance laboratories, one on-campus, two off-campus research stations, five Research Excellence Centers and ten Research Groups.

AITC Theme: Food Safety

This training course falls under the AITC theme – “Food Safety”. “Ending Hunger” is very fundamental to global development progress. Through decades-long effort in eliminating hunger and malnutrition, Thailand has successfully reduced the number of hungry and malnourished people by 75% and the figure is still falling. The progress earned Thailand an award from the Food and Agriculture Organization (FAO) for outstanding contributions to global food security, nutrition and sustainable agriculture. The AITC courses under the theme “Food Security” are part of Thailand’s commitment to work with the international community to achieve SDG goal # 2 on Zero Hunger.
Course Objectives
This training course aims at sharing Thailand’s knowledge and experiences in sustainable fish farming and livestock production. At the end of this course, participants are expected to;

- Understand concept of sustainable animal production and food safety and sustainable livestock production,
- Gain knowledge on fish farming and livestock production and Good Agricultural Practices.
- Be able to apply knowledge gained to the case of their respective countries.

Course Outline
This training course focuses on sustainable fish farming and livestock production for food safety. Topics of the training are such as;

- Animal genetics and reproductive improvement from indigenous animal to domestics animal for farm to market adaptation;
- Local feeds and forages Management for sustainable animal production;
- Research plan and methodology designs for Good Agriculture Practices (GAP);
- Sustainable inland aquaculture management and aquaponics production and food processing.

Course Methodology
Training methodologies to be used during this training course include;

- Lecture
- Practice
- Group discussion
- Field visit

Assignment and Evaluation
- In-class participation.
- Module evaluation.
- Course evaluation.
- Submission and presentation of “Country Report” which include information on agricultural, postharvest and food security profile of participant’s respective country.
- Attendance - Participants are required to attend all activities organized during the course. TICA reserves the rights to revoke its fellowship offered or take appropriate action in case a participant is in attendance of less than 90 percent of the training hours.

Participant Criteria
Candidates must possess qualifications as specified in “Guideline for Thailand’s Annual International Training Course Programme” No. 2 “Qualifications” as well as following qualification;
